The page has a dark orange header with the jQuery UI logo and navigation links for Demos, Download, API Documentation, Themes, Development, Support, Blog, and About. A search bar is also present. The main content area has a light gray background. On the left, there's a sidebar with sections for Interactions (Draggable, Droppable, Resizable, Selectable, Sortable) and Widgets (Accordion, Autocomplete, Button, Checkboxradio, Controlgroup, Datepicker, Dialog, Menu, Progressbar, Selectmenu, Slider, Spinner, Tabs, Tooltip). Below these are Effects. The central area is titled 'Tooltip' and contains text about customizable, themeable tooltips. It shows a tooltip for an age input field with the placeholder 'Your age:'. A note says 'Hover the field to see the tooltip.' To the right, there's a 'Examples' sidebar with links for Default functionality, Custom animation demo, Custom content (which is highlighted), Custom Styling, Forms, Track the mouse, and Video Player demo.	Pass
